Your Store
Strongsville
Subject
Terrible experience
Your Message
Hi I just want to start out this message stating that I visit all often mostly the Medina store, great experience there! I was in Strongsville doing some shopping so I stopped in at pulp too get a smoothie. The girl making my smoothie is very long finger nails (not ok to have in good service) and literally her butt was showing from her shorts. She kept pull at her shorts because they were so short while making my smoothie! I couldn't even drink it thinking of all the things that were on her hands and under her long fake finger nails. I'm not one to complain but that was absolutely repulsive. As she was making my smoothie she kept adding water and pineapple juice to thin it out which is not what the Medina store does. I'm never going back to this pulp and I have told many friends and family to stay away from the unsanitary conditions at this store. Like I said, I'm not good be to write a message or complain but this is completely uncalled for.

Why don’t we meet at the GetGo in Brunswick, we can then just get on 71 south. 7:45am on Wednesday. (Bring a few extra SHEIN stuff if we have some free time). I am not sure what shoes you are planning on wearing but I will have some for you if you need something. Let me know if you need me to bring anything.

Also, after the shoot on Wednesday we will talk about the two shoots on the 21st.
